

We want to ensure that the British Pain Society is meeting the needs of its nurse members. We therefore want to hear nurses' views of what they want from the BPS and how it can attract more nurse members. So this is your chance to let us know what you think!

Please complete this paper version, which you can fax back to the BPS on **020 7831 0859** or return by post to the address given at the end of the form. Alternatively go to **www.britishpainsociety.org/nursesurvey2008** and follow the instructions. If you are not a nurse, please pass the questionnaire on to any nurses who work with you in the field of pain.

We look forward to hearing your views. The results will be reported in the newsletter and will be used to inform decisions about the future direction of the society.

Please answer all questions. **Deadline is 30th September 2008.**
