

THE BRITISH PAIN SOCIETY

Pain: the hidden epidemic

PATIENT LIAISON COMMITTEE ANNUAL SEMINAR

Thursday 17th December 2015

The British Pain Society's **Patient Liaison Committee** is organising its upcoming annual seminar '**Pain: the hidden epidemic**'. This one-day seminar includes an insightful morning of lectures focused on the prevalence and impact of Pain and Neuropathic Pain and a collaborative afternoon dedicated to exploring ways to make a difference and raise awareness of pain.

Open to All

This seminar is aimed at patients, professional, carers and people from the 3rd Sector.
